

Hi Neighbor!

My name is _____; I'm a neighbor of yours and a volunteer for a non-profit organization called **Operation Help A Hero (OHH)**. OHH's Operation Rack Pack is working to **support over 4,000 local Marines and Sailors** returning from deployment this spring.

What you might not know is that many young, single Marines return home with no one to greet them. Many have all their belongings in storage and don't have any clean clothes, food or toiletries to clean themselves up beyond what's in their sea packs that they've traveled with. Operation Rack Pack will provide each of these young men and women with clean rooms, welcome home posters, and gifts to show our appreciation for their sacrifice. These tokens of thanks will be staged in each of the barracks rooms prior to their return. Just when they think they've been forgotten, they will enter their rooms filled with sentiments of gratitude.

If you would like to contribute to our drive, please simply leave your donations by your door on the following date: _____ with this flyer attached OR drop off donations right on my doorstep at the following address: _____.

Thank you so much for your support of our local Marines and Sailors.
