AMAZON WISH LIST:

Set up your own amazon wish list with gift cards shipped directly to you.

DRIVE THRU GIVING:

Host a drive thru giving event. Designate a time and location for friends/co-workers to drop their gift cards. Use the drive thru giving as a chance to say "hi," offer hot chocolate, and snap a picture of each person for a photo collage to share with the families you support.

** To help us avoid gift card fraud, please make sure to attach receipts to gift cards (especially Visa and Walmart) and write the balance on each card to help us avoid giving empty cards to families.
