

2ND BATTALION, 5TH MARINES OPERATION RACK PACK

Saturday, November 5th 9am-11am
Camp Pendleton

Help us prepare a hero's welcome home 750+ Marines & Sailors returning from deployment to live in the barracks.

OPERATION RACK PACK (ORP)

ORP is Operation Help a Hero's barracks project for young, single service members returning from deployment. Our mission is to make sure, in those first critical moments home, single service members returning to the barracks are met with messages of love and support from the country they serve. From welcome home gift bags to cold drinks, from new towel sets to food they can enjoy, from welcome home posters to toiletries to use upon their return, we hope to make them feel as comfortable and appreciated as possible.

TO LEARN MORE ABOUT OHH,
VISIT WWW.OPERATIONHELPAHERO.ORG

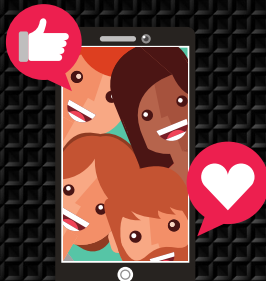

**Please note that OHH does not plan projects on or post any information about return dates for the safety of those we serve and out of respect for their families. If you have questions about unit return events or dates, please contact your unit DRC.*
