## OPERATION RACK PACK

FOR 2/5 AND SPMAGTF 18.2 MARINES AND SAILORS

Help us welcome home 800+ single Marines and Sailors returning from deployment to barracks.

For nearly two-thirds of our fighting force, the barracks is home. This means that when they return from months deployed overseas, their first experience home can be a bit impersonal and lacking in creature comforts. This is where we step in with our Operation Rack Pack (barracks) project. Our goal is to welcome home these heroes with gifts of gratitude and messages from the community to let them know the sacrifices they've made on our behalf are appreciated.

Join us for a day of light cleaning, preparing welcome home gifts and staging expressions of gratitude to await the return of 2/5 and the first round of SPMAGTF 18.2's young, single service members.
